

Coaching

Starting at \$250/hr

MOST POPULAR!

For teams who want to own Maps Marketing, *not* outsource it.

We'll teach you everything. From account setup and verification to optimization, strategy, and ongoing management.

Month 1-3

Bootcamp

Listing Management and Optimization

Meeting cadence: 4 hours per month

- ✓ Organizing/verifying listings on Google Native
- ✓ Location info optimization
- ✓ Content strategy development and execution
- ✓ Review response and generation strategies
- ✓ Bulk updates and actions

Month 4-6

Special Training

Reporting and Attribution

Meeting cadence: 2 hours per month

- ✓ How to read and evaluate Performance Insights
- ✓ How to read and evaluate Comparison Reports
- ✓ How to read and evaluate Keyword Reports
- ✓ How to read and evaluate Reviews data

Month 6-12+

Refinement

Ongoing Strategy Refinement

Meeting cadence: 1 hours per month

- ✓ Evaluation of channel strategies
- ✓ Alignment with business objectives and goals
- ✓ Google Maps and Apple Maps maintenance
- ✓ Google Ads: assess whether they would be a good fit for your business

**Minimum 1 hr per month.*

Cadence is flexible - we meet at the pace that matches your team's bandwidth.

One-Time Profile Setup

\$500 per profile

Google Business Profiles and Apple Maps profiles professionally set up and optimized in one go. No ongoing commitment required.

What's Included

- ✓ Up to 5 hours of onboarding
- ✓ Category selection & updates
- ✓ Attribute management
- ✓ Photo/video uploads
- ✓ Post scheduling
- ✓ Review activation

+ Full setup of core GBP features

Map Labs does all the heavy lifting to make sure your business is properly set up and optimized on Google & Apple Maps.

Once everything is in place, you'll take the reins to manage your profile moving forward. This service is ideal if you're not ready to commit to Full Service management but still want the confidence that your profile is complete, professional, and making full use of Google & Apple's diverse feature set.
